

### **How to send invoices to the City Hall of Sitges, Catalonia, Spain?**

According to the Spanish Law 25/2013 (December 27<sup>th</sup>, 2013), since January 2015 all of the invoices sent to the Public Administrations must be in electronic format (actual Facturae 3.2.2) and with a digital signature.

In this sense, you can use diverse free of charge tools in order to send invoices to the City Hall of Sitges. One of them is B2B Router, and you can access to it at:

<https://www.b2brouter.net/en/>

If you may need help please proceed to Youtube tutorial videos at:

**[How to create an electronic invoice with B2B Router](#)**
